What will your child be taught in Year One?

Children will be taught Phonics, English, Maths, Handwriting and Big Book daily.

Once a week they will be explicitly taught the other curriculum subjects.

Monday – RE and HeartSmart

Tuesday – DT/Art

Wednesday – Maple – Science and Topic == PE and Topic

Fir – Computing and PE == Topic

Thursday - Maple – Computing and PE == Topic and Science

Fir – Science and Topic == Science and PE

Friday - History/Geography and Music

Reading in Year One

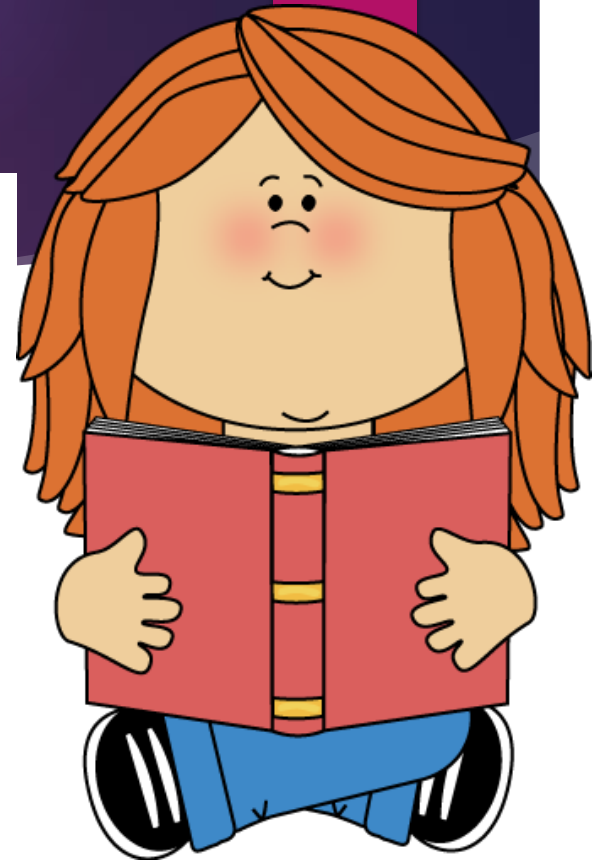

Reading books will be changed each Friday.

These books will be selected to match your child's developing phonic knowledge and skills.

They will spend the week reading a book in class which will then come home on a Friday for them to share with you for the week.

Please ensure your child has their book in school every day.

Your child's book will be changed whether they have read with you or not so please make every effort to read each day.

How can you support your child's Reading at home?

- ▶ Discuss favourite parts.
- ▶ Link the story to any others your child may already have at home.
- ▶ Re-read the story afterwards to consolidate key vocabulary and re-read any words your child found tricky and write them in their reading diary.
- ▶ Discuss how the character may have been feeling in different parts of the story.
- ▶ Discuss the order of events
- ▶ Every time you read with your child, sign their diary so they can be a part of our class reward!

Phonics in Year One

SUPERSONIC
Phonic Friends

We have begun following the Supersonic Phonic Friends scheme of work which has been validated by the Department for Education.

The children love being a part of these fun and active lessons which include lots of helpful phonic friends.

Each lesson involves developing a range of skills important for confident reading including: listening, seeing, segmenting, building, blending, reading, and writing.

Phonics in Year One

SUPERSONIC
Phonic Friends

All children at the end of Year One have to take a phonics screening check.

The children do practice screenings throughout the year.

This enables the children to become familiar with the screening check and also allows us to track individual children's progress in being able to decode real and nonsense words.

Spellings in Year One

Spellings will be given out on a Friday and tested the following Friday.

They will be linked to your child's phonics or be the common exception words your child needs to learn in Year One.

These will come home on a look, cover, write, check sheet and should be practised throughout the week.

P.E. In Year One

All children need a P.E. kit in school.

We will send P.E. kits home **half termly** to be washed and for you to check that clothing and shoes still fit.

We will encourage children to be as **independent** as possible when changing for P.E. so

please make sure all their clothing is clearly labelled.

Any questions?
