Chick

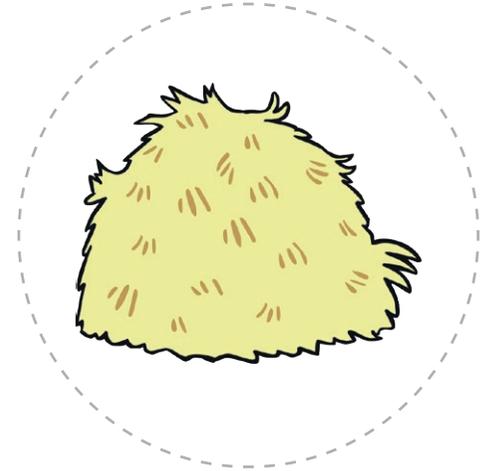

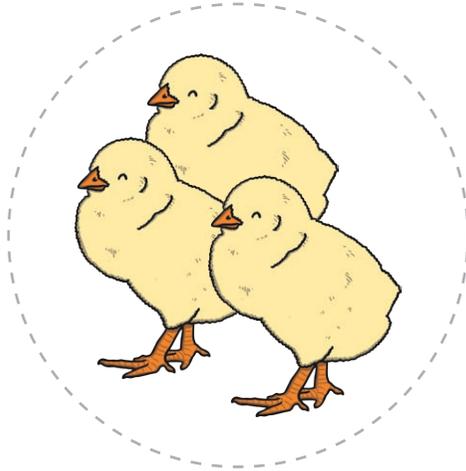

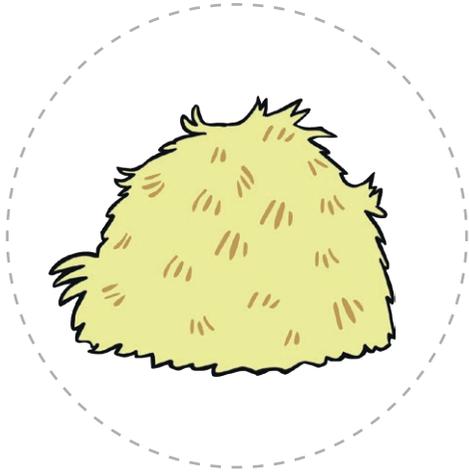

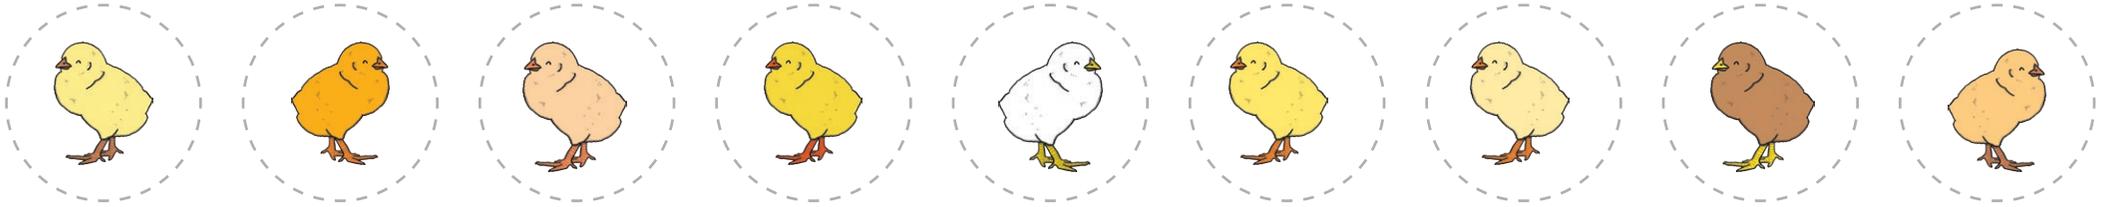

Chick

A large dashed line forming a zig-zag pattern across the page, intended for tracing. The pattern starts at the top left, goes down to the middle left, then up to the top right, then down to the middle right, then up to the top left, and so on. A dashed line also connects the chick on the left to the chick on the right.

A row of ten dotted letters 'z' for tracing practice, arranged horizontally across the bottom of the page.
