Life in all its Fullness

May 2022

Dear Parent/Carer

Holidays within term time are an issue for all schools. We understand why families do this and that holidays support our children to live life in all its fullness, but a week of missed learning has a significant impact on your child's education. We are unable to authorise any holidays during term time.

A lot of holiday requests have been made during the Summer Term and we would welcome feedback on an idea to find out if parents/carers would prefer to have a whole week of Teacher Education Days on either side of May or October half term in an attempt to eliminate holidays taken during term time. This would allow families to arrange holidays within a 2 week window and you may even benefit from reduced holiday costs.

Would you please complete the form below and return to school by **Friday, 27th May 2022**.

OPTIONS

1. TE days remain as they are throughout the school year.

☐

2. School closed for a complete week before May half term

☐

3. School closed for a complete week either before or after October half term.

☐

Yours sincerely
