## *Life in all its Fullness*

Dear Parents/Carers,

As many of you may know Mr Thurman and I are expecting our first baby this year, which we are very excited about!

Due to the global pandemic and the government guidance I am having to work from home and so won't be back to teach your wonderful children this year.

I want to first of all say that I have loved teaching every one of the children in Maple Class, I will miss their happy smiley faces and fun quirky personalities. I would also like to say that although I won't be in class teaching I will still be involved in supporting their learning and supporting all of my families until the Easter holidays.

You can contact me by calling the school office and I will return calls and I will still be available on the Maple Class email ([maple@hollyhill.bham.sch.uk](mailto:maple@hollyhill.bham.sch.uk)) until the Easter holidays.

I want to assure that the children will be well taken care of by Mrs Blaber, who they know and their new class teacher; Miss Whatmore. The children already know Miss Whatmore because she has taught Maple Class when I have been doing my 'teacher jobs'. I know she is very excited to teach Maple Class full time and I know she has lots of fun things planned for the children to help them get to know her a little bit better and her them.

Attached to this letter is a little information fact file all about Miss Whatmore for you to share with your child in preparation for them seeing her again on the 8<sup>th</sup> March.

Yours Sincerely,

Mrs Thurman
