Introduction

Holly Hill recognises that the school premises constitute a valuable asset for the community as a whole both within and outside school hours. We acknowledge that the use of the premises is ultimately a matter for the Headteacher who will positively encourage the utilisation of the school building and land in a manner which is consistent with the general charitable and Christian Values of the school. Allowing the school premises to be used outside school hours is not without its costs; this policy is designed to ensure that the school is covered financially when doing so.

This policy should be read in conjunction with the:

Health and Safety policy.

Safeguarding and Child Protection policy

PREVENT No Platform Policy

Risk assessment for school reopening – Coronavirus.

Latest Government guidelines for Covid <https://www.gov.uk/coronavirus>

Lettings

Hiring rates legislation requires that any costs of hiring premises which are charged to the school's delegated budget must be repaid to that budget from income received, for example costs of electricity and heating before allocating income to anything else. Any surplus will be available for use in the school budget.

Booking Arrangements

All bookings are to be made through the school bursar, Michelle Evans, email m.evans@hollyhill.bham.sch.uk or telephone 0121 675 8700. Booking applications should be made on the Booking form (Appendix 2).

The charges decided by the Governors depend on the time, duration and purpose. Bookings should be made at least 10 days in advance to enable the premises to be prepared

Payment

Payments must be made in full in advance to the school Office. Cheques to be made payable to Holly Hill School.

The school's Bursar will account all monies in connection with school lettings. She will co-ordinate all correspondence and maintain all records required for lettings.

A diary of all lettings, shall be kept by the Bursar, in line with Records Management procedures.

Hire Periods and Charges

The Headteacher may enter into an agreement to let the school hall by arrangement, to any group or organisation whose activities are considered suitable. Priority shall be given to groups whose activities will benefit the children and the community.

The School Governors' will have responsibility for the setting of fees which will be reviewed on an annual basis.

The Headteacher is authorised to charge a lower fee when appropriate provided that no financial loss is incurred.

The Headteacher or Bursar shall advise the proposed hirer of the cost of the let and that additional costs will be payable, for call outs to the alarm of if the premises are damaged or not restored to the condition in which they were originally let.

The Bursar is required to report on all lettings to the Building Services Supervisor.

Insurance

The School shall not be responsible to or be liable for any person who suffers injury or loss or damage to his property whilst on the premises.

All users that hire the premises regularly must carry sufficient public liability insurance and a copy of this must be supplied at the booking and a copy taken.

Responsibility of the Hirer

The Hirer will be responsible:

- for all damage caused to the premises or to any property on the premises.
- for ensuring the school is only used for the purposes specified in the Letting Agreement.
- for completing a booking form prior to the letting (or series of lettings) and full payment must be made in advance.
- to see that no nuisance or disturbance is caused and that all regulations and laws governing the use of the premises will be complied with.

- for ensuring that the premises are not used for the sale of alcohol for any purpose.
- for not allowing gambling of any kind, or for trade for gain on a Sunday nor for any purpose contrary to the Standing Orders of the Methodist Conference in force at the date of the lease or license unless the Connexional Property Committee agree that this

condition may be waived. Please be aware there are also guidelines for holding a raffle on the premises. Please speak to the school office.

Any person showing symptoms of Covid-19, or is isolating must not enter the premises. The user must let the bursar know if an event had to be cancelled due to Covid-19.

Unsuitable Lets

The school will retain an absolute discretion to determine what is an unsuitable let. In all instances, the decision as to suitability will rest with the Head Teacher.

Cases of Disorder

If a member of the hire party is deemed to be under the influence of drugs or exhibiting drunken behaviour or is verbally or physically aggressive, they will be asked to leave the premises by the Site Manager. If they refuse, the police will be involved.

Site Manager

The Building Services Supervisor should be informed of all lettings, whether or not he will be on duty for the letting.

If the Building Services Supervisor is not on duty, the person responsible for managing the letting must know the procedures to be followed in the event of an emergency, e.g. the whereabouts of first aid supplies, emergency telephone, fire extinguishers and emergency exits. He/she must also know the procedure for reporting any damage to property or premises and ensure that a report is submitted.

Security and Keys

The Head Teacher will decide who may have access to keys to the premises. 1 set of keys is to be provided to each Group booking and School will hold name, address and telephone number of the holder. It is important that the correct procedures are followed or any claim on insurance could be jeopardised.

Emergency Procedures

All leaders and helpers of groups or private bookings must familiarise themselves with routes of escape in case of emergency. This is particularly important if the school grounds are being used

for any reason and case must be taken to ensure all users are brought to safety if an emergency takes place.

All hirers must take notice of the fire safety notices and escape routes.

Site Capacities

The school has a legal responsibility to comply with the maximum figure allowed under health and safety requirements for their premises. The capacity for our school hall is 210 people.

The hirer must provide the Administrator with an estimate of the number of people expected. If more than 200 people are on site an additional second member of staff must be present.

Review

The Head Teacher will review this policy annually, or sooner if the need arises.

Review due: July 2027
