

Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool Revised July 2021

Commissioned by

Department for Education

Created by

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education</u> Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Pleasevisit<u>gov.uk</u>fortherevisedDfEguidanceincludingthe5keyindicatorsacrosswhichschoolsshoulddemonstrate animprovement. This document will help you to review your provision and to report your spend. DfEencour ages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click <u>HERE</u>.

Details with regard to funding

Please complete the table below.

Total amount carried over from 2019/20	£1,500
Total amount allocated for 2020/21	£17,150
Total spent Academic year 2020 / 21	£17,985
How much (if any) do you intend to carry over from this total fund into 2021/22?	£665
Total amount allocated for 2021/22	£17,150
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£17,806

This report evidences the impact of the spend in the academic year 2020/21

Swimming Data

Please report on your Swimming Data below.

Holly Hill Church school is an Infant School, and therefore we are not funded, and obliged to offer swimming and water safety.

Academic Year: 2020/21	Total spend: £17,985	Date Updated:	September 2021	
	£8,904 in financial year 20/21			
	£9,081 in financial year 21/22 (April – July 21)
