## Life in all its Fullness

29<sup>th</sup> June 2023

Dear Parent/Carer

As part of our 'Caring for our amazing world' theme, the children have been learning about the life of a butterfly and frog. This has linked to all areas of the curriculum including Literacy and Understanding the world.

Our visit to Bishops Wood on Thursday, 6<sup>th</sup> July will enable them to learn more about the natural environment and habitats for mini beasts and how we can look after them. The children will have the opportunity to take part in lots of exciting activities such as looking at camouflaging in the woods, they will explore caterpillars and go pond dipping to identify what creatures they can find.

Please ensure that your child is wearing their school jumper and t-shirt and either leggings or joggers and **sturdy shoes**. Can they also bring wellingtons and a waterproof jacket in case it rains.

School will be providing children with drinks and a packed lunch to eat during the day.

The coach will be leaving school as soon as registration has been completed, so please ensure your child arrives at school **no later than 9.00am**

We are scheduled to return to school by the end of the school day, 3.10pm, so that children can be collected as normal from their classrooms.

You have already given consent for this trip.

If you have any questions regarding the trip, please come and speak to us!

Yours sincerely

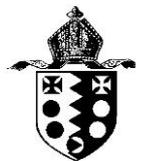

Miss Sharif
